THE EXPERIENCE

THE PARTY IS THE POINT

Linarex & Jacke Matheus are a live band built to do one thing: turn your venue into the best night of the week.

Two Latin artists — Colombia and the Dominican Republic — with their own music and years on stage, backed by a lineup of Warsaw-based professionals, each with years playing venues and touring with established artists. They play the hits everyone knows *and* their own songs that hit just as hard — funk, pop, rock, Latin, afrobeat — with the energy of a band that lives for it.

Not a jukebox. Not background music. A real act that fills the floor, keeps the room moving, and gives your crowd a reason to stay.

Made for bars, pubs, and venues that want a packed, buzzing night — not a playlist.

WHAT HAPPENS

THE ENERGY

Dance. Jump. Sing every word.

Hit after hit, country after country — with original songs woven in that land just as hard. The crowd doesn't sit still. From the first song to the last, the room stays alive.
